ACTION
ITEMS

TOPIC: **PUBLIC HEARING: PROPOSED 2017-20 YEAR TWO LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)**

DESCRIPTION: Implementation of the Local Control Funding Formula (LCFF) and the Local Control and Accountability Plan (LCAP) regulations require that each district's LCAP public hearing be held in advance and at a separate meeting prior to the LCAP adoption. The intent of the LCAP hearing is to allow for public comment and recommendations regarding the specific actions and expenditures proposed to be included in the LCAP and budget (Education Code 52062(b)). Further, the regulations require that the public hearing for budget be held at the same meeting as the public hearing for the LCAP. There are eight areas of State priority that must be addressed in the district's LCAP:

Conditions for Learning

Basic Services: provide all students' access to fully credentialed teachers, instructional materials that align with state standards, and safe facilities

Implementation of State Standards: implement the State's Academic and Performance Standards in English and English Language Development, Mathematics and the Next Generation Science Standards

Course Access: ensure all students have access to a broad course of study to prepare them for college and careers

Pupil Outcomes

Student Achievement: improved student learning for all students and subgroups measured by local assessments, state assessments, English proficiency rates, and college and career readiness indicators

Other Student Outcomes: measuring other important student outcomes such as Career Technical Education (CTE) pathway completion, A-G Course completion, Advanced Placement Completion and other locally identified success measures

Engagement

Parental Involvement: meaningful participation by parents that include decision making and program development

Student Engagement: supporting student's connectedness and engagement in school including improved attendance and graduation rates

School Climate: provide a welcoming, healthy school culture for all students as measured by engagement surveys and district discipline data

The development and adoption of the LCAP has become the State-mandated strategic planning process for districts across the State of California. Actions and services identified in the eight state priorities are directly aligned to LCFF funding.

The Board of Education has received information on the LCAP Development Process, LCAP Annual Update and 2017-20 Year Two LCAP goals and services as well as the District's summary of stakeholder engagement at the March 8, 2018 Board Meeting.

The contents of the LCAP has been shared with the Superintendent's District Advisory Council (DAC), District English Learner Advisory Committee (DELAC), and various stakeholder committees. An intensive community engagement process beginning in September 2017 resulted in continuous refinement of the LCAP actions and services. In addition, the LCAP was formed by surveys, stakeholder input meetings, and consultation with the employee associations.

The publication notification for the 2017-2020 Year Two Local Control and Accountability Plan (LCAP) public hearing was placed in the Orange County Register. The LCAP and budget document is available for public inspection at the District Administrative Offices and it is also posted on the District website.

FISCAL IMPACT: As stated in the proposed budget

RECOMMENDATION: It is recommended that the Board of Education hold a public hearing and receive public comment on the 2017-20 Year Two LCAP.

TOPIC: **PUBLIC HEARING – 2017-18 ESTIMATED ACTUALS AND 2018-19 ALL FUNDS BUDGET**

DESCRIPTION: Effective 2014-15, Education Code section 52062(b)(2) requires the school district governing board to adopt its' budget at a public meeting. The public meeting at which a school district governing board adopts a budget, must be held after, but not on the same day as, the public meeting at which the governing board holds the required public hearing. The adoption of the proposed budget is scheduled for the June 7, 2018 board meeting.

Average Daily Attendance: The 2018-19 Budget is constructed on the following student population:

	ADA
OUSD	24,269.80
Non-Public Schools	45.19
Community Day School	29.93
SB 1446 declining enrollment protection	481.80
County Special Education	13.45
County Community Schools	<u>152.58</u>
Sub-Total	<u>24,992.75</u>
El Rancho Charter MS	1,166.24
Santiago Charter MS	<u>938.19</u>
Sub Total (Charter Schools Only)	<u>2,104.43</u>
GRAND TOTAL	<u>27,097.18</u>

The total budgeted attendance of 24,344.92 (not including District charter schools, county special education, county community schools and SB1446 declining enrollment protection) reflects an anticipated decline of 492.86 in District ADA. District charter schools' ADA of 2,104.43 reflects no change as compared to the prior year.

Revenues: The following chart shows the driving factors of the LCFF in addition to ADA:

Cost of Living Adjustment (COLA)	2.51%
Transitional Gap Funding	100.00%
3 Year Rolling Unduplicated English Learner (EL), Free/ Reduced (F/R) and Foster Youth (FY) Student Percentage	51.55%

Until the state adopts its 2018-19 Budget, the proposed funded LCFF yields an estimated \$8,783,056 increase as compared to the prior year primarily due to full funding at the target level.

Most state categorical entitlements and grants known to be ongoing are projected at current levels. Only special education AB602 funding is expected to receive the 2.51% COLA in 2018-19. No increase is anticipated for ongoing federal programs in this adoption. Interest earnings are projected at 1.08% and lottery is estimated at \$194 per student (\$146 unrestricted, \$48 restricted by Proposition 20).

Staffing: Certificated staffing is based upon a ratio of 30:1 for grades TK-6; 32:1 for grades 7-12. Salaries include step/column increases for certificated employees and step/range increases for classified employees. Statutory benefits (STRS, PERS, Workers' Compensation, etc.) are driven by payroll costs. Health benefits are based on current employer contribution levels.

Expenditures: Supplies, services/operating expenses, and capital outlay are in conformity with estimated site and program budgets.

The estimated unexpended entitlements have been included in components of the 2017-18 ending fund balance and added to the 2018-19 budget expenditure lines. The estimated unexpended entitlements include: Lottery, Billing Option, Huber Trust, OC STEM Initiative and ROP Adult Fee based programs of approximately \$.8 million.

Other unexpended/remaining components of the 2017-18 ending fund balance are non-resident tuition, site/department carryover/donations, Credential Support Contracts, MediCal Administration Activities, STRS/PERS Increases and school site Lottery allocations of approximately \$ 11 million; these estimated unexpended items are included in the 2018-19 Budget expenditure lines, except for the STRS/PERS Increases, which remain as assignments of the ending balance.

Ending Balance: The projected ending balance of \$44,526,199 is comprised of the following:

Revolving Cash	\$100,000
Stores	\$150,000
Non-resident Tuition	\$84,295
STRS/PERS Increases	6,001,263
Reserve for Economic Uncertainties	\$8,918,219
Unappropriated Amount (Above 3%)	\$29,272,422

The ending balance meets the State-required three-percent reserve, and the 2018-19 Budget complies with the AB1200 accountability guidelines as set forth by the State of California.

The adoption of the proposed budget is scheduled for the June 7, 2018 Board meeting. Unaudited actuals for 2017-18 and budget revisions for 2018-19 resulting from actual carryover and the adoption of the State of California budget will be presented to the Board of Education at its' September 6, 2018 meeting.

The First Interim Report is scheduled for December 6, 2018. The Second Interim will be presented in March 2019.

The 2017-18 Estimated Actuals and the 2018-19 Budget are available for public inspection at the District Administrative Offices.

FISCAL IMPACT: The fiscal impact to the various funds is shown in the State budget documents.

RECOMMENDATION: It is recommended that the Board of Education hold a public hearing for the 2017-18 Estimated Actuals and the 2018-19 Budget.

TOPIC: RESOLUTION NO. 34-17-18: RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF NOT TO EXCEED \$188,000,000 AGGREGATE PRINCIPAL AMOUNT OF BONDS OF THE DISTRICT, BY PUBLIC SALE, PRESCRIBING THE TERMS OF SALE, APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION AND DELIVERY OF A CONTINUING DISCLOSURE CERTIFICATE, APPROVING THE FORM OF AND AUTHORIZING THE DISTRIBUTION OF AN OFFICIAL STATEMENT AND AN OFFICIAL NOTICE OF SALE FOR THE BONDS, AND AUTHORIZING THE EXECUTION OF NECESSARY DOCUMENTS AND CERTIFICATES AND RELATED ACTIONS

DESCRIPTION: On November 8, 2016, the voters of the District approved Measure S, authorizing the District to issue up to \$288 million in aggregate principal of bonds for authorized projects.

The Board of Education is requested to approve the above-referenced resolution authorizing the District to issue its first series of bonds under Measure S in an aggregate principal amount not exceeding \$188,000,000.

The bonds will be sold and issued by the District by a competitive sale. Fieldman, Rolapp & Associates, Inc. will serve as the municipal advisor for the transaction, and Orrick, Herrington & Sutcliffe LLP will serve as bond counsel and disclosure counsel.

The Board of Education is asked to approve above the resolution referenced above to effect the issuance of the bonds and approve various documents and actions, as follows:

1. **Resolution.** The resolution authorizes the issuance of the bonds and establishes parameters for the terms thereof, approves the forms of and authorizes the execution and delivery of the financing documents (including the Official Notice of Sale, Notice of Intention to Sell Bonds, Certificate of Award and the Continuing Disclosure Certificate), approves the form of and authorizes the distribution of the official statement (in preliminary and final form), and sets forth the security provisions for the bonds and the covenants of the District to bond owners.

2. **Official Notice of Sale.** The Official Notice of Sale invites bids for the public sale of the bonds from bidders, and it describes the details of the bond sale, including the method of delivering bids and the date, time and place of the bid opening, the terms of the bonds and the security therefor and any limitations on the interest rates or purchase price which may be bid for the bonds.

3. Notice of Intention to Sell Bonds. The Notice of Intention to Sell Bonds is published prior to the sale date in accordance with State law and serves as a notice to potential bidders of the upcoming public sale of bonds.

4. Certificate of Award. The Certificate of Award is the document by which the Authorized Officers award the sale of the bonds to the bidder with the lowest true interest cost bid.

5. Continuing Disclosure Certificate. Federal securities laws indirectly require districts to disclose and annually update certain financial and operating information relevant to the security and repayment of bonds. The Continuing Disclosure Certificate contains the undertakings of the District to provide the ongoing disclosure in the form of annual reports and event notices.

6. Official Statement. The Official Statement (in its preliminary and final form) is used to provide information to investors and prospective investors about the District and the bonds. The bonds constitute securities for purposes of state and federal securities laws and, therefore, the offering and sale of the bonds through the Official Statement is subject to certain provisions of such laws, including, importantly, the anti-fraud laws. The Official Statement sets forth information about the terms of the bonds, the security for the bonds, the sources and uses of the proceeds of the bonds, the District and the tax base of the District, the documents under which the bonds are issued, and the tax-exemption of interest on the bonds.

The bonds will finance projects authorized by the voters at the November 8, 2016 election.

All legal documents are available for review during normal business hours in the Business Service Office, located at Orange Unified School District, 1401 North Handy Street, Orange, California 92867

FISCAL IMPACT:

The bonds will be paid from *ad valorem* property taxes approved by the voters of the District and levied on property within the District by the County of Orange. There are no budget implications.

RECOMMENDATION:

It is recommended that the Board of Education adopt Resolution No. 34-17-18 and authorize staff to take the necessary steps to complete the financing.

(b) *Execution of Bonds.* The Series 2018 Bonds shall be signed by the manual or facsimile signatures of the President of the Board of Education, and countersigned by the manual or facsimile signature of the Clerk of the Board of Education. The Series 2018 Bonds shall be authenticated by a manual signature of a duly authorized signatory of the Paying Agent.

(c) *Valid Authentication.* Only such of the Series 2018 Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (a) of this Section, executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of authentication and registration shall be conclusive evidence that the Series 2018 Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

(d) *Identifying Number.* The Paying Agent shall assign each Series 2018 Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal office, which record shall be available to the District and the County for inspection.

Section 5. Terms of Bonds. (a) *Date of Series 2018 Bonds.* The Series 2018 Bonds shall be dated the date of their delivery, or such other date as shall be set forth in the Certificate of Award.

(b) *Denominations.* The Series 2018 Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof.

(c) *Maturity.* The Series 2018 Bonds shall mature on the date or dates, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the Certificate of Award. No Series 2018 Bond shall mature later than the date which is 30 years from the date of the Series 2018 Bonds, to be determined as provided in subsection (a) of this Section; provided, however, that Series 2018 Bonds may have a maturity greater than 30 years, but not greater than 40 years, if an Authorized Officer, for and on behalf of the District, makes a finding in writing that the useful life of the facility financed with such Series 2018 Bonds equals or exceeds the maturity date of such Series 2018 Bonds. No Series 2018 Bond shall have principal maturing on more than one principal maturity date.

(d) *Interest.* The Series 2018 Bonds shall bear interest at an interest rate or rates not to exceed 8.00% per annum, payable on the Interest Payment Dates in each year computed on the basis of a 360-day year of twelve 30-day months. Each Series 2018 Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless it is authenticated after the close of business on a Record Date and on or prior to the succeeding Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date, in which event it shall bear interest from its dated date; provided, however, that if, at the time of authentication of any Series 2018 Bond, interest is in default on any outstanding Series 2018 Bonds, such Series 2018 Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on the outstanding Series 2018 Bonds.

(e) *Interest; Tax-Exempt or Taxable.* Each series of Series 2018 Bonds may be issued such that the interest on such series of Series 2018 Bonds is Tax-Exempt or such that the interest on such series of Series 2018 Bonds is not Tax-Exempt. The Board of Education hereby finds and determines that, pursuant to Section 5903 of the California Government Code, the interest payable on each series of Series 2018 Bonds issued as Taxable Bonds will be subject to federal income taxation under the Code in existence on the date of issuance of such series of Series 2018 Bonds.

Section 6. Payment of Bonds. (a) *Request for Tax Levy.* The money for the payment of principal, redemption premium, if any, and interest on the Series 2018 Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the interest and sinking fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Series 2018 Bonds in such year, and to pay from such taxes all amounts due on the Series 2018 Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to redeem the Series 2018 Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due.

(b) *Principal.* The principal of the Series 2018 Bonds shall be payable in lawful money of the United States of America to the Owner thereof, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(c) *Interest; Record Date.* The interest on the Series 2018 Bonds shall be payable on each Interest Payment Date in lawful money of the United States of America to the Owner thereof

as of the Record Date preceding such Interest Payment Date, such interest to be paid by check or draft mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Series 2018 Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date.

(d) *Interest and Sinking Fund.* Principal and interest due on the Series 2018 Bonds shall be paid from the interest and sinking fund of the District as provided in Section 15146 of the Education Code.

(e) *Obligation of the District.* No part of any fund or account of the County is pledged or obligated to the payment of the Series 2018 Bonds. The obligation for repayment of the Series 2018 Bonds is the sole obligation of the District.

(f) *Pledge of Taxes.* The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors of the County for the payment of Bonds of the District and amounts on deposit in the interest and sinking fund of the District to the payment of the principal or redemption price of and interest on the Bonds. This pledge shall be valid and binding from the date hereof for the benefit of the owners of the Bonds and successors thereto. The property taxes and amounts held in the interest and sinking fund of the District shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in the interest and sinking fund of the District to secure the payment of the Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. The pledge is an agreement between the District and the owners of Bonds to provide security for the Bonds in addition to any statutory lien that may exist, and the Bonds secured by the pledge are or were issued to finance one or more of the projects specified in the applicable voter-approved measure.

(g) *Insurance.* The payment of principal of and interest on all or a portion of the Series 2018 Bonds may be secured by a municipal bond insurance policy as shall be described in the Certificate of Award. The Certificate of Award may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized and directed to apply for municipal bond insurance for the Series 2018 Bonds and to obtain such insurance if the present value cost of such insurance is less than the present value of the estimated interest savings with respect to the Series 2018 Bonds. The Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a contract or contracts for such insurance if such contract is deemed by the Authorized Officer executing the same to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract. If the Authorized Officers so deem and obtain municipal bond insurance, and such insurance is issued by a mutual insurance company, the Authorized Officers are each hereby authorized and directed to enter into any required mutual insurance agreement substantially in such insurer's standard form with such changes, insertions

and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of such agreement by such Authorized Officer.

Section 7. Redemption Provisions. (a) *Optional Redemption.* The Series 2018 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Certificate of Award. The Certificate of Award may provide that the Series 2018 Bonds shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Series 2018 Bonds, if any, are subject to such redemption and are called for redemption, such Series 2018 Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District (or as otherwise set forth in the Certificate of Award), and if less than all of the Series 2018 Bonds of any given maturity are called for redemption, the portions of such bonds of a given maturity to be redeemed shall be determined by lot (or as otherwise set forth in the Certificate of Award).

(c) *Mandatory Sinking Fund Redemption.* The Series 2018 Bonds, if any, which are designated in the Certificate of Award as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Certificate of Award), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Certificate of Award. Unless otherwise provided in the Certificate of Award, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Series 2018 Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The Certificate of Award may provide that the Series 2018 Bonds shall not be subject to mandatory sinking fund redemption. The Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Series 2018 Bonds as shall be necessary to accomplish the purposes of this Section.

(d) *Notice of Redemption.* Notice of any redemption of the Series 2018 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Series 2018 Bonds and the date of issue of the Series 2018 Bonds; (iii) the redemption date; (iv) the redemption price; (v) the series of Series 2018 Bonds and the dates of maturity or maturities of Series 2018 Bonds to be redeemed; (vi) if less than all of the Series 2018 Bonds of a series of any maturity are to be redeemed, the distinctive numbers of the Series 2018 Bonds of each maturity of such series to be redeemed; (vii) in the case of Series 2018 Bonds of a series redeemed in part only, the respective portions of the principal amount of the Series 2018 Bonds of each maturity of such series to be redeemed; (viii) the CUSIP number, if any, of each maturity of Series 2018 Bonds of a series to be redeemed; (ix) a statement that such Series 2018 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Series 2018 Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice,

that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2018 Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2018 Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Series 2018 Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2018 Bonds at the place specified in the notice of redemption, such Series 2018 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2018 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund or the trust fund established for such purpose. All Series 2018 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Series 2018 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Series 2018 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Series 2018 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption.* Prior to or on the redemption date of any Series 2018 Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Series 2018 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Series 2018 Bonds to be redeemed upon presentation and surrender of such Series 2018 Bonds, provided that all monies in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2018 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Series 2018 Bonds, the monies shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding Bonds of the District payable from

such fund; provided, however, that if the monies are part of the proceeds of Bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such Bonds. If no such Bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Series 2018 Bonds all or any part of the principal, interest and premium, if any, on the Series 2018 Bonds at the times and in the manner provided herein and in the Series 2018 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District and the County as provided in Section 6 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Series 2018 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series 2018 Bonds, but only out of monies on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Series 2018 Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Series 2018 Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal, redemption premium, if any, or interest on the Series 2018 Bonds and remaining unclaimed for two years after the principal of all of the Series 2018 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding Bonds of the District payable from the fund; or, if no such Bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Education does hereby consent to and confirm the appointment of U.S. Bank National Association, to act as the initial paying agent for the Series 2018 Bonds. All fees and expenses of the paying agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Series 2018 Bonds, or from the interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the District shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* The initial Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Series 2018 Bonds, and any reference herein to the "principal corporate trust office" of the Paying Agent shall mean the office so designated for a particular purpose. If no office is so designated for a particular purpose, such functions shall be conducted at the office of U.S. Bank National Association in Los Angeles, California, or the principal corporate trust office of any successor Paying Agent.

(d) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Series 2018 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2018 Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2018 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) *Appointment of Depository; Book-Entry System.* Unless otherwise specified in the Certificate of Award, DTC is hereby appointed depository for each series of the Series 2018 Bonds and the Series 2018 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of each series or subseries of the Series 2018 Bonds; provided, however, that if different CUSIP numbers are assigned to Series 2018 Bonds of a series or subseries maturing in a single year or, if Series 2018 Bonds of the same series or subseries maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Series 2018 Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute

depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) *Transfers.* In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2018 Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Series 2018 Bond for each maturity shall be executed and delivered (in the aggregate principal amount of such Series 2018 Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. (c) *Partial or Advance Refundings.* In the case of partial redemption or an advance refunding of the Series 2018 Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Series 2018 Bonds indicating the date and amounts of such reduction in principal.

(d) *Treatment of Registered Owner.* The District and the Paying Agent shall be entitled to treat the person in whose name any Series 2018 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2018 Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series 2018 Bonds.

(e) *Form of Payment.* So long as the outstanding Series 2018 Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Series 2018 Bonds by arranging for payment in such manner that

Whenever any Series 2018 Bond or Series 2018 Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2018 Bond or Series 2018 Bonds, of the same maturity, Interest Payment Date and interest rate or rates (for a like aggregate principal amount). (b) *Exchange.* The Series 2018 Bonds may be exchanged for Series 2018 Bonds of other authorized denominations of the same maturity, Interest Payment Date and interest rate or rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2018 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2018 Bond or Series 2018 Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2018 Bond or Series 2018 Bonds of the same maturity and interest payment mode and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series 2018 Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2018 Bonds for redemption, and (ii) after any Series 2018 Bond has been selected for redemption.

The Continuing Disclosure Certificate, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer.

Section 13. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Series 2018 Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of the Series 2018 Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 14. Official Statement. The preparation and delivery of an Official Statement with respect to the Series 2018 Bonds, and its use in connection with the offering and sale of the Series 2018 Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Series 2018 Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement and any amendment or supplement thereto.

Section 15. Investment of Proceeds. (a) *Investment of Proceeds.* As provided in subsection (g) of Section 15146 of the Education Code, (i) the proceeds of the sale of the Series

2018 Bonds, exclusive of any premium received, shall be deposited in the County treasury to the credit of the building fund of the District, (ii) the proceeds deposited in the building fund of the District shall be drawn out as other school moneys are drawn out, and (iii) the bond proceeds withdrawn shall not be applied to any purposes other than those for which the Series 2018 Bonds were issued. In accordance with subsection (g) of Section 15146 of the Education Code, at no time shall the proceeds of the Series 2018 Bonds be withdrawn by the District for investment outside the County treasury. Amounts in the building fund of the District shall be invested so as to be available for the aforementioned disbursements and the District shall keep a written record of such disbursements. Pursuant to subsection (g) of Section 15146 of the Education Code, any premium or accrued interest received from the sale of the Series 2018 Bonds shall be deposited in the interest and sinking fund of the District.

(b) *County Investment Policy.* All funds held in the interest and sinking fund of the District shall be invested at the sole discretion of the Treasurer of the County pursuant to State law, including Government Code Section 53601 *et. seq.*, and the investment policy of the County, as either may be amended or supplemented from time to time. In the absence of written request from the District as provided in subsection (c), proceeds of the Series 2018 Bonds held in the building fund of the District shall be invested at the sole discretion of the Treasurer of the County pursuant to State law, including Government Code Section 53601 *et. seq.*, and the investment policy of the County, as either may be amended or supplemented from time to time.

(c) *Investment Agreements.* To the extent permitted by law, an Authorized Officer, each of whom is hereby expressly authorized to make such request, may request the Treasurer to invest all or any portion of the building fund of the District, on behalf of the District, in investment agreements, including guaranteed investment contracts, float contracts or other investment products (collectively, "Investment Agreements"), which comply with the requirements of each rating agency then rating the Series 2018 Bonds necessary in order to maintain the then-current rating on the Series 2018 Bonds. Pursuant to Section 5922 of the Government Code, the Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Series 2018 Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Series 2018 Bonds and funds held to pay the Series 2018 Bonds.

Section 16. Tax Covenants. (a) *General.* The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on a Tax-Exempt series of Series 2018 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of each Tax-Exempt series of Series 2018 Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Series 2018 Bonds.

(b) *Yield Restrictions.* In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer of the County on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer in writing, and the

District shall make its best efforts to ensure that the Treasurer shall take such action as may be necessary in accordance with such instructions.

(c) *Reliance on Opinion of Bond Counsel.* Notwithstanding any provision of this Section, if the District shall provide to the Treasurer of the County an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Series 2018 Bonds not issued as Taxable Bonds under Section 103 of the Code, the Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of each Tax Certificate with respect to the Series 2018 Bonds not issued as Taxable Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 17. Professional Services. Fieldman, Rolapp & Associates, Inc. shall serve as Municipal Advisor to the District for the Series 2018 Bonds. Orrick, Herrington & Sutcliffe LLP shall serve as bond counsel and disclosure counsel to the District for the Series 2018 Bonds.

Section 18. Delegation of Authority. The Authorized Officers are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including, without limitation negotiating the terms of the insurance policy, if any, referred to herein.

Section 19. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 20. Debt Management Policy; Notice to California Debt and Investment Advisory Commission. With the passage of this Resolution, the Board of Education hereby certifies that the Debt Management Policy complies with Government Code Section 8855(i), and that the Series 2018 Bonds authorized to be issued pursuant to this Resolution are consistent with such policy, and instructs Bond Counsel, on behalf of the District, with respect to each series of Series 2018 Bonds issued pursuant to this Resolution, (a) to cause notices of the proposed sale and final sale of the Series 2018 Bonds to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to Government Code Section 8855, and (b) to check, on behalf of the District, the “Yes” box relating to such certifications in the notice of proposed sale filed pursuant to Government Code Section 8855.

Section 21. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to the Auditor-Controller of the County the final terms of sale of the Series 2018 Bonds, and to file with the Auditor-Controller and with the Treasurer of the County a copy of this Resolution, and the schedule of amortization of the principal of and payment of interest on the Series 2018 Bonds, and to file with the Treasurer of the County a proposed schedule of draws on the building fund of the District, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the Education Code and as the District’s request to the Auditor-Controller of the County and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Series 2018 Bonds, pursuant to law; and to

the other officers of the County to levy and collect said taxes for the payment of the Series 2018 Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Series 2018 Bonds the principal, interest, and premium, if any, due on the Series 2018 Bonds in each year, and to create in the County treasury to the credit of the District a building fund and an interest and sinking fund pursuant to Section 15146 of the Education Code.

Section 22. Contract with Bondholders. The provisions of this Resolution shall be a contract with each and every owner of Bonds and the duties of the District and of the Board of Education and the officers of the District shall be enforceable by any owner of Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 23. Amendments. This Resolution may be modified or amended without the consent of the Owners in order to cure ambiguities or provide clarification, provided that such modification or amendment does not materially adversely affect the rights of owners of Bonds. For any other purpose, this Resolution may be modified or amended only with the consent of the Owners of a majority of the aggregate principal amount of all Series 2018 Bonds then outstanding; provided that any such modification or amendment to Section 6(f) or Section 22 shall require the consent of the owners of a majority of the aggregate principal amount of all Bonds then outstanding. No such modification or amendment shall extend the maturity of, reduce the interest rate or redemption premium on or principal amount of any Series 2018 Bond or reduce the percentage of consent required for amendment hereof without the express consent of all the owners so affected.

Section 24. Indemnification of County. The District shall indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees (“Indemnified Parties”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of any resolution by the Board of Supervisors of the County authorizing the District to issue and sell the Series 2018 Bonds without the further action of the Board of Supervisors pursuant to Sections 15140 and 15146 of the Education Code, as permitted by Section 53508.7 of the Government Code. The District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

Section 25. Effective Date. This Resolution shall take effect from and after its date of adoption.

PASSED AND ADOPTED this day, May 24, 2018.

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the Series 2018 Bonds in compliance with Section 15146(b)(1)(D) of the California Education Code and Section 5852.1 of the California Government Code. Such good faith estimates have been provided to the District by Fieldman, Rolapp & Associates, Inc., as the District's financial advisor under Education Code Section 15146(b)(1)(C) and as municipal advisor under Section 15B of the Securities Exchange Act of 1934 (the "Municipal Advisor").

Principal Amount. The Municipal Advisor has informed the District that, based on the District's financing plan and current market conditions, the good faith estimate of the aggregate principal amount of the Series 2018 Bonds to be sold is \$188,000,000 (the "Estimated Principal Amount").

True Interest Cost of the Series 2018 Bonds. The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Series 2018 Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, the good faith estimate of the true interest cost of the Series 2018 Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Series 2018 Bonds, is 3.82%.

Finance Charge of the Series 2018 Bonds. The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Series 2018 Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, the good faith estimate of the finance charge for the Series 2018 Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Series 2018 Bonds), is \$1,567,000, as follows:

a)	Underwriter's Discount	\$1,222,000.00
b)	Credit Enhancement	*
c)	Bond Counsel and Disbursements	58,750.00
d)	Disclosure Counsel and Disbursements	26,250.00
e)	Municipal Advisor and Disbursements	62,200.00
f)	Rating Agency	177,000.00
g)	Other Expenses	20,800.00

* A municipal bond insurance policy with respect to the Series 2018 Bonds is not expected to be obtained.

The District intends to pay the finance charges less the Underwriter's Discount for the Series 2018 Bonds out of the District's Special Reserve for Capital Projects Fund.

Amount of Proceeds to be Received. The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Series 2018 Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, the good faith estimate of the amount of proceeds expected to be received by the District for sale of the Series 2018 Bonds, less the

finance charge of the Series 2018 Bonds, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the Series 2018 Bonds, is \$188,000,000.¹

Total Payment Amount. The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Series 2018 Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, the good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Series 2018 Bonds, plus the finance charge for the Series 2018 Bonds, as described above, not paid with the proceeds of the Series 2018 Bonds, calculated to the final maturity of the Series 2018 Bonds, is \$357,380,905.56.

The foregoing estimates constitute good faith estimates only. The actual principal amount of the Series 2018 Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the Series 2018 Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of Series 2018 Bonds sold being different from the Estimated Principal Amount, (c) the actual amortization of the Series 2018 Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Series 2018 Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, or (f) alterations in the District's financing plan, or a combination of such factors. The actual date of sale of the Series 2018 Bonds and the actual principal amount of Series 2018 Bonds sold will be determined by the District based on the need for project funds and other factors. The actual interest rates borne by the Series 2018 Bonds will depend on market interest rates at the time of sale thereof. The actual amortization of the Series 2018 Bonds will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the District. The Board of Education has approved the issuance of the Series 2018 Bonds with a maximum true interest cost of 5.00%.

¹ Any premium received from the sale of the Series 2018 Bonds shall be deposited in the Interest and Sinking Fund of the District.

[The Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the Resolution and the Certificate of Award. If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.]

The Board of Education of the District hereby certifies and declares that the total amount of indebtedness of the District, including the amount of this Bond, is within the limit provided by law; that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Bond have been done and performed in strict conformity with the laws authorizing the issuance of this Bond; and that this Bond is in substantially the form prescribed by order of the Board of Education duly made and entered on its minutes. The Bonds represent an obligation payable out of the interest and sinking fund of the District, and the money for the

payment of principal of, premium, if any, and interest hereon, shall be raised by taxation upon the taxable property of the District.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”), to the Paying Agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

DESCRIPTION: The District’s Board policies and bylaws are reviewed and updated periodically as new state and federal laws and regulations are enacted.

The proposed revisions for the following policies are presented for a first reading.

- BP 5150 (New) Student Voter Registration

- BB 9323.1 (New) Public Comment

These policies will be brought back for a second and final reading at the June 7, 2018 meeting.

StudentsStudent Voter Registration

The Board of Education recognizes that community engagement and civic participation are important parts of a student's education. The Board also regards the right to vote as one of the most important rights of citizenship in a democratic country. The Board holds as a high priority the important role of all staff members in informing students of the importance of registering to vote and assisting students in this process.

The Board of Education acknowledges the California Secretary of State's encouragement for school districts to participate in voter registration activities.

"It is the intent of the Legislature that every eligible high school and college student receive a meaningful opportunity to apply to register to vote. It is also the intent of the Legislature that every school does all in its power to ensure that students are provided the opportunity and means to apply to register to vote." (California Elections Code 2146).

The Superintendent or designee shall provide administrative regulations concerning the process of student voter registration in the District. Under the direction of the Superintendent or designee, each high school will designate a staff contact person and provide his/her address, telephone number, and email address to the Secretary of State to facilitate the distribution of voter registration materials.

Legal Foundations

California State law allows 16-and 17-year olds to pre-register to vote with their voter registration coming into effect as soon as they turn 18.

Assembly Bill 1817 (Statutes of 2014) designates the last two full weeks in April and September as *High School Voter Education Weeks* and encourages school districts to conduct voter registration and education drives on campuses and in classrooms during these four weeks.

California Elections Code 2146 requires the Secretary of State to annually provide high schools with enough voter registration forms for all students who are of voting age or will be of voting age by the end of the year. As added by SB 854 (Ch. 481, Statutes of 2007), Elections Code 2148 requires every high school to designate a contact person and provide his/her address, telephone number, and email address to the Secretary of State to facilitate the distribution of voter registration materials.

If a Board consists of seven members and not more than two vacancies occur on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, if a vacancy exists on the Board, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall be not be counted for purposes of determining the total membership constituting the Board. Public Comment

The Board of Education desires and encourages public attendance at all Board meetings and is always interested in the constructive participation of those in attendance.

In order to insure an orderly proceeding so that the District's business may be accomplished in an efficient manner and to provide a fair opportunity for all individuals who wish to address the Board regarding items on the agenda or matters within the jurisdiction of the Board, the following procedures shall regulate public presentations to the Board:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board either before or during the Board's consideration of each item. (E.C. 35145.5, Government Code 54954.3)
2. During the Public Comment section of the agenda, members of the public may address the Board on matters that are not listed on the agenda. The Board shall take no action or discussion of any item not appearing on the posted agenda, except as allowed by law. (E.C. 35145.5, Government Code 54954.2)
3. The Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)
4. A person wishing to be heard by the Board shall first complete the form "Request to Address the Board of Education" before the start of the meeting. The person will be recognized by the Board President and shall then proceed to comment as briefly as the subject permits. No additional Public Comment cards shall be accepted once the meeting has been called to order.
5. Speaking time is limited to three minutes per speaker with a maximum of 20 minutes per topic. The presiding officer, at his/her discretion, may reduce the amount of time allocated to each speaker in order to avoid exceeding the 20-minute total time limitation. With Board consent, the Board President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard.
6. A speaker shall not yield to another person any portion of the time allotted to him/her to speak.

7. In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

8. The Board President may rule on the appropriateness of a topic subject to the following conditions:
 - a. If the topic would be more suitably addressed at a later time, the Board President may indicate the time and place when it should be presented.
 - b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts or omissions. (Government Code 54954.3)
 - c. The Board may not prohibit public criticism of District employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board President or Clerk shall inform the complainant of the appropriate District complaint procedure and ask the speaker to follow the District's formal complaint process.

9. The Board President or Clerk shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group of any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the Board President to terminate the privilege of addressing the Board.

The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Superintendent or designee may contact local law enforcement as necessary.

These procedures shall be used to conduct all public comment and public hearing segments held during Board of Education meetings.

TOPIC: **PURCHASE ORDERS LIST**

DESCRIPTION: Purchase orders and change orders have been processed in accordance with the rules and regulations of the Board of Education and applicable legal requirements of the State of California.

District procedures and computer system controls require that an approved purchase order, pay voucher, current liability, or credit memo exist on the District's computer system prior to the issuance of warrants. There may be multiple warrants drawn against a given purchase order, up to the maximum amount for that purchase order. The system restricts the processing of payment amounts in excess of the issued purchase order.

Note that the purchase order system allows for a one-line description of the services or item procurement. The issued purchase order forms a contract between the District and the vendor.

FISCAL IMPACT: \$3,633,751.54

RECOMMENDATION: It is recommended that the Board of Education approve the Purchase Order List dated April 23 through May 6, 2018 in the amount of \$3,633,751.54.

**STATE OF CALIFORNIA
DEPARTMENT OF
GENERAL SERVICES
CMAS CONTRACT
NO. 4-18-78-0089A
KYA SERVICES, LLC
SYNTHETIC TRACK AND
SPORTS FIELDS**

Effective October 12, 1994, the State of California approved the use of California Multiple Award Schedules (CMAS) by local governments for a wide variety of commodities, inclusive of equipment, supplies, materials, and services. Using a CMAS contract is a cost-effective manner of procurement for products and services that is available to school districts. Public Contract Code Sections 20118, 10298, and 10299, allow school districts to utilize competitively bid contracts, inclusive of master multiple award schedules and cooperative agreements from other public agencies. The CMAS Contract Number 4-18-78-0089A, awarded to KYA Services, LLC, allows for Non- Information Technology Goods (sports facility product installation).

Staff recommends approving KYA's CMAS agreement, inclusive of future contract renewal options through the CMAS Contract No. 4-18-78-0089A contract term January 22, 2019. KYA reduced their initial pricing approximately \$200,000 for each project at Villa Park and Orange High Schools and \$250,000 for Canyon High School. In addition, staff was able to secure two years of free maintenance for the new track and field surfaces. This program helps the District realize an additional savings of nearly \$20,000 per site per year. CMAS pricing for the procurement/installation of the turf and track portion of the project is as follows:

Canyon HS	\$2,597,437.53
Orange HS	\$2,578,002.65
Villa Park HS	<u>\$2,542,446.25</u>
Total	<u>\$7,717,886.43</u>

This is not a request for additional budgetary appropriation.
