Project: Lodi USD Prop 39 Year 3-5 Wireless EMS

Date : 05/03/2018

Q1. Can you please clarify the unit and economizer counts for the Wireless EMS project.

Are there a total of 182 units with 48 having economizers or 182 units without economizers and an additional 48 units that have economizers?

A1. There are a total of 182 units and 48 of them have economizers.
