

Petition for Non-Standard Course Progression

Request acceleration, course challenge, or non-standard progression

Student Name _____ Current Grade _____

Acceleration or Non-Standard Course Progression

Please describe your petition for acceleration or non-standard course progression.

Challenge a Course

With administrative approval, a student may earn credit for a required course by demonstrating their proficiency in the subject through examination. A score of 80 or above must be earned on the exam in order to receive credit and advance to the next level. The course is added to the transcript with appropriate credit and a notation that credit was earned through examination; a grade is not recorded on the transcript for credit earned through examination.

To schedule a challenge exam prior to the start of the school year, this form must be submitted by June 15. Challenge exams are scheduled in early August.

Course to challenge _____

Course to enter _____

Please describe your prior proficiency in the subject or plan to prepare for challenging the course:
