I, _____, wish to enroll in the Academic Dual Credit Program at Joliet Junior College (JJC). I am a student at Joliet Township High School, _____ Campus. I understand that the tuition and fees for the college course may be waived by JJC. I further understand that my high school teacher will issue a midterm progress report and the final grade I earn will be posted on both my high school and my JJC transcript. However, if I am in jeopardy of receiving a failing grade, I understand that I will have to withdraw from the JJC course by midterm, and a non-punitive grade of “W” (withdrawn) will appear on my JJC transcript. The student must inform their high school counselor by bringing them a copy of the JJC withdrawal form. If a student chooses to withdraw from a college course, he or she must complete and submit an official college Withdrawal Form at JJC prior to the college's last official date for withdrawal. Failure to do so could result in the student receiving an "F" on his/her official college transcript. I have been advised of the possible repercussions with future financial aid opportunities by having a “W” on my college transcript. **I understand that if I withdraw from JJC my enrollment at Joliet Township must continue.**

I have been given and agree to all the Guidelines for Participation in the Academic Dual Credit Program.
