

Community Council Meeting  
November 3<sup>rd</sup>, 2017

Those in attendance: Jenni Adams, Miranda Rasband, Annalisa Glenn, Nikki Killpack, Elise McKellar,  
Brooke Woodall, Isaac Gastelum, Sarah Johnson, Julie LaRocco, Jody Schaap.

Topics discussed:

- ❖ Community Council members should be trained by November 3<sup>rd</sup>.
- ❖ Watched a Ted Talk on Most likely to succeed.
- ❖ Opened the question, what skills do kids need from us to prepare them for when they are older. (referenced the Dutch conference)
- ❖ Discusses how to hone the kids' technology and collaboration skills.
- ❖ Discussed how to incorporate what you know vs what you can DO with the knowledge in educating the kids.

I. Core skills the kids must have:

- a. Critical thinking
- b. Collaboration across networks and leading
- c. Agility/adaptability
- d. Initiative and entrepreneurship
- e. Effective oral communication
- f. Accessing and analyzing information
- g. Curiosity and imagination

II. Project LEAD THE WAY

- a. "B" track success with STEM program
  - i. Computers are teaching the kids coding (exploring more options to grow)
  - ii. Looking to expand tracks. Date unknown

III. Maps and boundaries

- a. Looked to redefine a few sections for community council to even areas out.
- b. Looked at growth areas and how it would affect the school.
- c. Discussed possible new school location.

IV. Cohesiveness in community

- a. Discussed way to solve it.
  - i. More interactive activities
  - ii. Have a party or activity to join all tracks and parents.

Sarah Johnson motions to end community council meeting. Annalisa Glenn seconds the motion.

Next meeting to be held January 8, 2018 @ 4:00pm in the library.
