**Welcome:** Cassidy Mellor

**Approval of March Minutes:** Unanimous approval

**Check in on current spending:**

We are on track for our spending of the current funds. We will have some carry over because there is one tutor position that we need to fill.

**Approval of SIP:**

Bernardo Villar, Tiffany Tuck, Cassidy Mellor and Liz Hansen attended the Davis School District SIP writing day. Each of the goals written reflect the discussions held in community council meetings throughout the year. Council members present approved

The \$38,000.00 going to tutors was broken down between the goals listed. To give support to the math and reading goals, those funds were divided as \$19,000.00 for reading and another \$19,000.00 for math for tutors.

There was also stipends planned for certified teachers to do training. There are 3 different conferences offered during the summer. One is on P.L.C.s, another on technology and then teacher training. Those teachers trained will come back and

We are adding that we have academic support to track and improve chronically absent students with the program Mrs. Burr implemented.

**Review openings for next year, and plan election timeline:**

5 – 2 year parent positions

1 – 1 year parent position

Nicole Young needs to be contacted to see if she intends to participate next year or if we should open that position for another parent.

Liz will review the process from last year's elections and we'll discuss and set the timeline for voting at the next meeting.

**Other Topics:**

Liz will take a picture of the Land Trust tutors with the 1<sup>st</sup> grade rocks and their iPads to submit for the photo contest.

**Future Agenda Items:**
