**Q1. I have a question regarding the #6 Qualification: Payment and performance bond. This document states a "Letter" from the bond company is sufficient, is this correct? Or do you want a formal bid bond? If you want a formal bid bond can the bond company use their form or do you have a specific form that you would like this submitted on?**

**A1. There are two separate issues/requirements related to bonds. The first is proof of a Payment and Performance bond that is required in the RFP document, Item #6, Page 15. The following is required for this: "A letter from AA best related surety insurer, addressed to the Client, referencing unused bonding capacity in an amount not less than the proposed contract amount". The second requirement is completing the bid bond form that is provided in the "Lighting Bid Form Documents", Bid Bond Documents 00 43 13-1 and 00 43 13-2.No, the project does not require installation of OC**
