As you think ahead to seventh grade, consider what system you are going to use to organize your materials. We suggest using one of the following:

- an accordion expanding file folder (with 10-13 sections)
- a Case It or Trapper-Keeper-style case with an individual folder for each class and rings for workbooks, notebooks and a planner
- individual, color-coded binders for each class

*A single folder is not appropriate to hold all of your handouts and notes in the seventh grade. You may try out different systems, but you must have some sort of plan!

All items brought to school, including clothing should be clearly marked with student's name.

Name tags on clothing is **Highly Recommended**, similar to those on <http://www.namebubbles.com>, or written with a laundry marker, similar to Sharpie's Rub-A-Dub Laundry Marker.
