Supply List For Incoming Fifth Graders 2018-2019

Dear Fifth Grader,

Please take a look at the three options presented for your organizational system. We have given some of the reasons you might chose each one.

Only purchase one option for the start of the school year.

Option 1:

Pendaflex Folder

- 13 total sections
- Planner would go inside
- Folder for each section
- Allows additional sections for personal items (artwork, reminders, etc.)
- Useful for students who benefit from having everything in one place
- Downside: Computer does not fit, so that much be carried separately_

Option 2:

Multi-pocket folder (should be plastic coated)

- 10 pockets for different classes
- Planner would be kept separate
- Downside: This might be an option for more organized people, as too many papers in this would begin to spill out. Also, maybe not as durable.

Option 3:

Case-It

<http://www.caseit.com/>

- Accordion Section
- 1 folder for each subject
- Includes a 3 hole punch
