

## NOTICE REGARDING WELLNESS PROGRAM

The Shawnee Mission School District Wellness Program is a voluntary wellness program available to all staff members. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for cholesterol and glucose levels. You are not required to complete the HRA or the biometric screening to participate in the blood test or other medical examinations.

As an incentive, and in accordance with our commitment to wellness, staff members who choose to participate in the wellness program (including the HRA and biometric screening) will be eligible for a \$600 (\$50 per month) wellbeing incentive toward monthly medical insurance premiums. For eligible staff members who have selected the Health Savings Account (HSA) or Qualified High Deductible Health Plan (QHDHP) this benefit will contribute \$600 to those plans. Again, although you are not required to complete the HRA or biometric screening to participate in the district's wellness program, both are required to be eligible for the \$600 incentive.

Additional incentives may be available for employees who participate in certain health-related activities sponsored by the SMSD Wellness program. If you are unable to participate in any of the health-related activities, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Tammie McCoy at [tammiemccoy@smsd.org](mailto:tammiemccoy@smsd.org) or 913-993-6494.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.
