4/9/18

Hello parents, this is Mr. Lots and Mrs. Slater-Sanchez calling from over at Hillview.

By now, you should have received the phone message from Mrs. Rossall, our superintendent, about the widespread email threat that occurred around the country as well as here in Westside. This threat was very generic and did not target a specific school, person, date, or time. These types of hoaxes still rattle our nerves, and serve as a constant reminder for both our families and staff to always be watchful and report any concerns, no matter how small they may seem. In addition to a phone call or in person report, our STOPit app is also a great way to report any concern.

In other news, our 6<sup>th</sup> and 8<sup>th</sup> graders start state testing this week. We are asking the students to please bring in headphones or earbuds to use during the testing. Please remind them of this. Please also work to make sure students get plenty of rest each night and a good breakfast in the morning. Testing will continue through the rest of the month. If your child doesn't yet know when they are testing, they can talk with their math and/or language arts teachers for those details. 8<sup>th</sup> grade science also tests.

Tomorrow evening at 6:00 pm, Hillview is hosting an LCAP Community input meeting in our cafeteria. This is a great opportunity to learn more about the Westside Unions School District and provide some feedback. We hope you can join us.

Lastly, don't forget, Wednesday evening is the WAVE Dine Out night at the McDonalds on N and 50<sup>th</sup> and L and 30<sup>th</sup>. Saturday is the Empowering Youth event at Joe Walker. We hope you can make it to these two great events.

Thanks so much, and have a great afternoon.

Rodney Lots and Jennifer Slater-Sanchez
