

Transportation Requirements for Private and Parochial Schools

Section 363.5 of the New York State Education Law requires school districts to provide transportation for students up to fifteen miles to their designated private or parochial school selected by the parents. The mileage is measured from the pupil's home to the school legally attended.

All district residents who presently have children transported to private or parochial schools, or who are contemplating private or parochial school enrollment, are reminded to submit a request in writing each year no later than April 1st, to the Victor Central Schools. This request should be addressed to:

Lisa Hinman

A request for Non-Public school transportation form is included for your convenience. If you have any questions regarding transportation arrangements, please feel free to call me at 924-3252 ext 5701.
