\*You may apply for a transportation request through the transportation department at <u>www.nsd.org/nsdtransportation</u>. Applications are processed the beginning of October. Waivers will be allowed transportation through the district if space allows and from an existing stop after the October assessment.

\* Waivered students and students that are going to daycare on a bus other than their own must also apply for a transportation request that will also be assessed in October. Until the assessment, parents or the daycare providers are responsible for the students transportation.
