Policy 6142

Instruction

Curriculum Council

The Lodi Unified School District Curriculum Council (Council) shall provide guidance and recommendations to curriculum staff, the Superintendent and the Board of Education in all aspects of curriculum development and implementation.

The Assistant Superintendent, Curriculum & Instruction, or his/her designee, shall be responsible for facilitating the activities of the Curriculum Council.

The Council also serves as a communication link for school sites regarding curriculum development goals, timelines, activities, processes and other issues related to the Council.
