Update on current School Improvement Plan 2015-16: The SIP has been very successful. The money has been used wisely and the products purchased for grade levels and classrooms have been used to help students with our Reading, Writing and Math goals.

School Improvement Plan 2016-17, review and sign: Unanimous approval of the plan.

Trust Land Grant Forms: Will review at our May 12th meeting.

Box Top Committee: Teachers will add a Box Top volunteer spot on their back to school sheets. Those parents will coordinate with Danielle Andrews to help students, parents and teachers participate in saving and donating Boxtops to the school to help fund fieldtrips or other items the students might need. We'll have Keri Spackman put a not in the May newsletter to let parents know we are collecting BoxTops and to save them over the summer. We could have a table at Back To School Night for parents to find out more information and sign up to be on the committee.

Election Timeline:

Nominations taken: September 6th -9th

Voting: September 19th – 23rd

1st Council Meeting of new year: October 6th

Don will talk to Logan Toone to see if we can do electronic voting this year. We'll vote on that at the May meeting if Logan confirms we can use that method.

Committee voted unanimously to remove, for attendance reasons, Patience Freeman, in the 1st year of a 2 year term, and Trevor Farr and Tawna McKissen, who were both filling 1 year terms

4 – 2 year positions available for voting, 1 – 1 year position available for appointment

Kim and Lori have both served for two years so an election will need to take place with the teachers to fill those positions.
