Job Shadow & Informational Interview Opportunities at Children's Therapy Center (CTC)

Children's Therapy Center is the largest and most comprehensive nonprofit pediatric therapy program in Washington State. Since 1979, it has provided essential services and products for children age birth to 18 including physical, occupational and speech therapy; early intervention services; and orthotics and equipment. Job shadow and informational interviews will take place at the [Burien location](#).

Q: What is a Pediatric Physical, Occupational, and Speech Therapist?

A: Licensed Physical, Occupational, and Speech Therapists that specialize in pediatrics work with families to assist their children in developing skills, such as crawling, walking, communicating, and eating.

Opportunities at CTC Burien:
