Council Agenda Items:

This meeting was an informal social to welcome new members Greg Frei and Kari Nydegger. In addition, the following items were discussed:

1- New Chair and Vice Chair

Danny Carver, who served as the former Vice Chair, will now be the Community Council Chair. Jennifer Record was voted as Vice Chair.

2- One Lunch (Principal Jensen)

Mrs. Jensen reported on the results of consolidating the school schedule to a one lunch system. While working through a few minor issues, the new schedule and lunch seem to be working well.

3- Construction Update (Principal Jensen)

An update was given to the Council concerning the construction projects at Clearfield High. The work is generally being done after hours in order to keep the impact minimal for students. As the pipes are replaced to make way for the new A/C system, there will be additional issues to work on. The goal is to have air conditioning available by the spring for most of the school, with the exception of A hall (which should receive A/C by the end of next summer).

4- Homecoming

Homecoming activities were discussed, including the need for alumni to be part of the homecoming game opening activity. Calendars with all school activities were given out as well as passes to attend the games, a calendar of meetings and a list of Community Council members.
