

Clever Portal Directions

Students

FROM SCHOOL:

1. Log onto a school computer.
2. Click on the START button and select CLEVER, or use a CHROME browser and type in clever.com/in/parklandsd.
3. You will automatically be logged in as it syncs to your computer username (ID)/password.
4. The buttons at the top are INSTANT LOGIN APPS, and do NOT require a separate username and password. You must use CLEVER to access these products.
5. The buttons at the bottom are LINKS, and take you to the product website sign in page. You will still need a username/password for these.
6. **NOTE:** This page will change throughout the year, as more companies allow us to sync passwords.

FROM HOME:

1. Go to clever.com/in/parklandsd
2. Click on Log In with Active Directory.
3. When the screen below appears, enter your ID#

Welcome to Parkland School District

Sign in with your organizational account

followed by @parklandsd.org and your school computer password.

4. You will now be logged in. Follow steps 4-6 in list above.

CHROME is the preferred browser but CLEVER also works in the current versions of Firefox and Edge.
