

Thursday, Jan. 21, 2016

PTA Report- Stacy Macaulay. S.E.P Dinner is Feb 3, 2016. The 4th grade Hero Day will be Feb 5, 2016. The PTA is also sponsoring the Science Fair on Feb 5th. The school-wide VIP Breakfast (formerly known as Grandparents VIP Breakfast) is being held on March 10th or 11th. They plan to serve a hot breakfast. Volunteers with griddles are needed.

Staffing - We now have 4 Second Grade classes. Mrs. Molly Ortiz who did her student teaching at Reading was hired. FTE; Staff shows 19.5 teachers in the 2016-17 school year. The students will equal approximately 535. Our beloved Shar Weight is retiring and a replacement will be named sometime in February. Amanda Nordfelt is the TA in Kindergarten. Samantha Nordfelt is also helping in the PM Kindergarten classroom. Lynette Roylance is the 6th grade TA and still helping with Kindergarten classes.

Safe Technology and Digital Citizenship- there are 100 kids participating the in the STEM club at Reading Elementary.

Summary - nothing to report.

Budget- nothing to report

Assessment to Achievement- Grade Level Brochures are still being developed. Administration would love to hear from parents about topics that would be helpful in said brochures.

Suggestions were made for

- Online Resources
- Advantage Math parent guide (to help our student with their math homework)
- Reading help
- Big announcements
- Road to Success needs an APP. It is too cumbersome and counter-intuitive for parents to log on every day for multiple students.

Those in attendance;

Angie Winchester

Stacy Macaulay

Jenny Pitt

Katherine Hansen

Tauna Conners

Lisa Robinson

Cindy Jenkins

Jackie Corbridge
