Review minutes

One Note training should be at beginning of year

Data night – how being used, what it means.

New school concept – it's a marathon, not a sprint; promote positivity

Shift thought process

Kays Creek Demographics

Highly educated demographic, high expectations

PTA volunteers - Bike to school day – May

Student Improvement Plan

- Reading proficiency (required by district)
- Attendance (required by district)
- Technology
- Sage baseline

Americorp

- Hard to get volunteers – only 4 coming into school
- Not big improvement

Data on SRI (comprehension based)

- Growth coming

Dibels

- 5% yellow, 3% red
- 85% overall proficiency / Great numbers

Technology

- First grade would like one to one -\$16,000

Leftover Trustlands - \$8000-ish by May (can carryover)

- Ideas
 - Buy more technology
 - 5/6th- one to one

- 4 grade - nearly
- Microsoft trainings
- Money for buses/ field trips
- Project lead the way - \$6,000
- Programs for kids to excel
- Robotics

Next year

- \$53,782
- Goals
 - Language arts
 - Attendance
 - Technology
 - Parents write grants for teachers

Move to offer teachers \$250 gross for summer training, carry over remainder-unanimous

PTA concerns –

- Principal letter weekly, celebrate the wins
- Parent survey
- Principals luncheon

Next meeting – March 20 at 6:30
