Academic Update:

- School Improvement plan initial planning
Review of District Goal #1, #2 & #3
#1: Student Achievement
Will meet the district average
Add the total number of students that are proficient
This goal will apply to writing in every subject matter

#2: College, Career, & Community Readiness

Reduction of 15% for those students who are credit deficient.

#3: Quality Staffing

PLC focus and training in collaborative data teams as well as expand the goal to state that those teachers that do not have a team to meet with, would meet with teachers from other schools to collaborate with.

Measure through frequent formative checks for understanding. Tyler will look into the school. Scores based on observations should have a percentage increase once we have the current score.

Using data to plan to meet individual learning needs of students through observations, common classroom assessments and agendas to Shannon with what data was reviewed and the plan to implement to check for individual learning and understanding.

Counseling Department Items:

- Credit recovery: The English 9 team and the professional Development Trainer are heading up the quality staffing focuses.

There are 5 study skill classes for the core classes in Math, Science, English, History to review what needs those students who are failing to meet the standards have and how to take care of those.

Library:

- Literacy Night April 6th

Chad Morris and Lisa Mangum are coming as the authors.

Received a \$500.00 grant to help cover literacy night for bringing families and literacy together.

Norseman Day of el Libro

Kick-off for our Norseman read every day at home initiative.

- May activity will be a skype with Tim Green, who was a 1st round draft pick in the 80's and writes children's books about sports.

Any other items:

3rd Term initiative will be a C, B, A by St. Patty's Day. We'll give those students a pizza party so the students who need grade recovery time can work with those teachers that can help them.

Future Agenda Items:
