Welcome, Read minutes

Julie showed training video

- Talked about when to start looking at date to start planning for next years funding and where to get data points from, how are newly implemented programs working
- 81% Endeavour, Kay's Creek, Snowhorse dibels
- Small group plan has half \$ going to aides to help

Post scores for parents to see mid-year progress

Gary Payne – architectural services for district

- Discussed fencing policies, request for full fencing
- Has to be accessible to public for activities after school, fire trucks
- Want fencing to come all the way on the east side of the school for safety from street and busses
- Cite Snowhorse, Endeavour, other schools as examples

Shauna – Transportation

- Reviewed SNAP plan, hazardous crossings and routes
- Websters sold land east of Angel,
- Perry homes bought Land across from school north of 200 N has been sold
- Estimated 500 students in 2-3 years
- New west Davis Corridor sits 68 feet of fence on west side of school
- Hawk signal on 200 N will be installed by school. Widening project
- 200 N will go up in speed when road is put in

Spencer – Small Group Plan (did not attend)
