Kim Reviewed meeting notes from October 9<sup>th</sup> meeting

Chris Williams –

- PR relations background, talked about an idea for making a video about the school
- Schools send emails to district about what they are doing, district sends to media
- Video is one approach to getting school information out to community
- Community Council needs to be cheerleaders for the school in public
- Blended learning sparked idea for video
- Students at our school skype with parents and community members weekly
- Need a communication plan to get word out to public and district about what Kay's Creek is doing
- Video so people can watch online and not come in too often and interrupt class
- Videos/Office Mix/Sways on school website to explain learning methods like Blended learning, Pathways, Seesaw, etc.

Fencing –

- Getting Fence on east side of school. Opening to the street by crosswalk. Going up toward the building with opening with 2 posts for emergency vehicles
- On west side from school to fence with gate near the kitchen

Small Group Plan – Spencer – (did not attend)

Discussed having future meetings on second Tuesday, Mrs. Larsen has conflict on Mondays. Community council members asked if meeting could be moved up to 5:00 to make it easier to come. Council agreed. February meeting moved to 6<sup>th</sup> to make preparing for Valentine's Day activities easier.

Next meeting: February 6, 2018, 5:00 pm
