2. Grade level feedback on support provided within the classroom

- a. English Language learners
- b. Higher level learners
 - i. Each grade representative discussed the ways they are supporting all levels of students utilizing different materials/resources available to them.

3. DATA Report:

- a. DIBELS Scores
 - i. The period of scores has changed to mid-year (MOY) rather than beginning of year (BOY)
 - ii. Reviewed data
- b. Attendance:
 - i. Chronic absent was 49% in 2014, 59% in 2015, and currently 57% for 2016. We have 20 students that are 1 day away from being marked chronic.
 - ii. Administration has made phone calls and home visits to try to help families get their kids to school. Every situation is different and being dealt with the best we can.

4. School Safety Plan:

- a. Discussed and reviewed the current safety plan

5. Budget:

- a. Math TAs: We have offered the 3rd math TS position. Waiting on response.
- b. Budget carryover:
 - i. We will have a carryover again this year because we budgeted for 3 Math TA and we only had 1 for the first couple of months so the salary we didn't use for the other 2 is our carry over. This money could go to are SEM teacher to have more hours. Will discuss further.
 - ii. Teacher requests will be compiled and reviewed by the Council for approval.
