SCC BUSINESS

- Discussed School Improvement Plan goals next year. Goals will be set for Reading, Math, Attendance and STEAM. Detailed draft of this plan will be presented to Community Council in April for review and approval.
- A five-year projection for technology refresh was presented, requesting money from Trust Lands funds. This discussion was tabled until April's meeting, where more information will be provided and discussed.
- A tentative budget was presented for next years Trust Land funds, including money for STEAM kits. This budget will be finalized in April's meeting.
- Community Council elections for 2018-2020 were discussed. School-wide announcements will begin in April and voting will be held in May.

COMMUNITY FEEDBACK

- Discussed parent feedback regarding Spanish Immersion Carnival and determined that it would benefit the entire school to have both Immersion and Traditional students participate in all cultural activities the school has to offer. Both groups participated in 3 Kings Day and it seemed like a good experience for all of the students.
