SCC BUSINESS

- Council members participated in District Community Council training and received proper guidelines and protocols.
- Reviewed progress on school improvement plan.
- School bylaws were discussed and will be finalized by the committee via email before 10.20.16. Approved bylaws will be posted to Canyon Creek's website.

TEACHER REPORT

- Teachers expressed interest in having more community events planned so there is a better teacher/parent connection. PTA is working on some events and Community Council offered their assistance as well.

COMMUNITY FEEDBACK

- Some concerns regarding slow teacher to parent email communication were discussed. Vonzaa will follow up with teachers regarding the need for more prompt responses.
- School Discipline Policy was reviewed. "Think Time" cards give teachers a positive tool to modify student behavior without having to engage the student or disrupt the class.
