

## **CANYON CREEK ELEMENTARY**

Community Council Meeting

- 2.07.17 -

### **ATTENDEES**

Vonzaa Hewitt, Principal

Debbie Pead, Teacher Representative

Lynda Mullins, Teacher Representative

### **Parent Representatives**

Brenda Bacon

Paulynn Hacking

Jen Rudd

Nicole Rothery

Excused: Tristin Beck

### **SCC BUSINESS**

- STEAM: Fairly new program but Canyon Creek has a good start with insight gained from Foothills Elementary pilot program. Teachers and administration working on "how" to make the program work. Will need funding from Trust Lands for special classrooms and supplies for hands on learning beyond just computer programs. We have had a Science focus and will add more engineering towards the end of the year.
- Elections for 2017-2019 Community Council: There will be at least 2 openings. Details will be posted in April 2017 and elections will be held in May 2017.
- Council discussed, voted on, and APPROVED Rules of Order & Procedures.

### **TEACHER AND PTA REPORT**

- Think Through Math: Canyon Creek has been recognized nationally, qualified for state.
- Golden Rule Project: School will focus on students being kind to one another.
- Microsoft Educators: 18 month plan for teachers starting Feb 20 - World Learning/21st Century Learning

### **COMMUNITY INTERESTS**

- Vonzaa addressed concerns from parents questioning where Art and Music were covered in the STEAM program. Canyon Creek serves students in these areas with our Drama Club and Glee Club. All teachers teach music in their classrooms or grade levels. The science teacher is also an artist. At times she will teach a culminating art activity after a science unit. Other times she will teach a month of Science (Feb.) then a month of Art (March). Keyboarding is a requirement and is taught throughout the year, along with other activities.

### **NEXT MEETING DATES**

All meetings will be held in the conference room by the office at 3:45 pm.

\*Dates are subject to change and will be posted online.

March 21

April 11

May 9
