

CALCULATING YOUR GPA

Calculate your GPA using the information below. To receive the most accurate GPA, please see the Registrar.

COURSE DESIGNATION

Weighted

P=Advanced Placement

Q=Pre-Advanced Placement

G=Gifted/Talented

Not Weighted

ACC=Accelerated

GL=Grade Level

L=Local

Weighted grade points (P/Q/G) may be awarded for only one course in each of the four core curricular areas (English, Math, Science, and Social Studies).

Grade Point Average (GPA) is determined by dividing the total grade points by the number of semester courses.

Effective May 23, 1997, any course taken outside of the regular school day for original credit will not be included in the calculation of grade point averages.

Example:

SAMPLE GRADE REPORT

Course Name	Level	Semester Grade	Grade Points
ENGLISH I PreAP	Q	87	6
GEOMETRY Grade Level	GL	93	6
WORLD GEOGRAPHY PreAP	Q	90	7
BIOLOGY PreAP	Q	81	6
SPANISH II	GL	85	5
ELECTIVE: ex: ART, ATHLTC	GL	97	6
PE	GL	100	6

Total Grade Points = 42

Total of Grade Points divided by the number of Semester Grades = Grade Point Average

$$42 \div 7 = 6.0 \text{ (A average)}$$
