**1. Welcome/Introductions**

Chair Kyle Roche opened the meeting at 6:10 p.m.

**2. Approval of November 5, 2014 Minutes**

Chair Roche moved that the minutes from November 5, 2014 be approved. The minutes were approved without objection.

**3. Trust Lands Training**

The two videos from the District were viewed by all present.

**4. AR**

The discussion concerning AR and a possible replacement was resumed. Many great ideas were suggested. It was determined that first the MVCC needed to determine the answers to several questions including: Where do we go from here? What did we like and dislike about AR? What do we want to keep? It was determined that the MVCC would like to encourage recreational reading with a possible incentive program. The need for parent and teacher cooperation was addressed as was the need to convert books from AR reading levels to Lexile reading levels. Nicole Adams volunteered to keep track of goals and reading levels for the rest of the year to help determine the direction Mountain View should head in. Class, grade level, and school wide incentives were discussed. Chair Roche suggested the MVCC reexamine why Davis School district decided to abandon AR so that Mountain View's new program will be compliant with

the district's direction. It was agreed that the discussion will continue at the next meeting.

**5. Known Issues/Items for the Next Meeting**

The next meeting will be Jan 14, 2015 at 6:00 pm.

The meeting adjourned at 7:15 pm. A Parent-Member meeting will be held immediately afterwards to determine the mid-term council member position.
