1. Welcome

Chair Kyle Roche opened the meeting at 5:36 p.m.

2. Parent-Member Vacancy Discussion

Chair Roche informed the parent-members of what had happened since the last meeting. Chair Roche had been asked to reach out to the members of the community who had previously expressed interest in community council. Unfortunately, circumstances have changed since the beginning of the school year and those contacted withdrew their names. Chair Roche asked the parent-members to approve opening the position for application. It was decided that the position be open for application. A flyer will go home and the application will be online. Once applications are in, the parent-members will vote to appoint a new member, presumably at the next council meeting. There was discussion of encouraging all parents to participate. Particularly, the council would like to see more participation from parents in the general population of the school, as the majority are currently tied to the PALs and Spectrum programs.

3. Dismissal

The meeting adjourned at 5:45 p.m.
