1. Welcome and Minutes

Chair Kyle Roche opened the meeting at 5:35 p.m. The parent-members reviewed the minutes from the March 29, 2017 parent-members' meeting.

2. Parent-Member Vacancy Discussion

Chair Roche informed the parent-members of what had happened since the last meeting. Chair Roche reported that per the decision of the parent-members' at the last meeting, the vacancy on the council had been publicized and an online application had been open for one week. While Chair Roche submitted a test application during the open period to ensure that any applications would be received and it worked, no actual applications were received.

The parent-members discussed what to do at this point. As there is a strong likelihood that this will be the last meeting of the current school year, and there is generally more enthusiasm in the fall for volunteering, it was the consensus of everyone that the vacancy be left open until the fall. While it will not be filled as part of the fall elections but will be appointed by the parent-members as per statute, the parent-members will be able to look at those who were unsuccessful in the election or any others who may be interested in only serving one year rather than two years to finish out the term on the vacant seat.

3. Dismissal

The meeting adjourned at 5:41 p.m.
