Welcome

Review School Improvement Plan

Tour the building to see the One-to-One Computers

Discussion: Community Council voted to put \$15,000 towards helping refresh the current one-to-one computers at Wasatch Elementary from the 2015/2016 budget. With the Davis School District and Title One funding we funded the one-to-one computers for students with an additional \$20,000 to pay for a total of 118 new lap tops. This will refresh grades 5th and 6th, and one 3rd grade classroom. We will refresh the 3rd and 4th grade in the 2016/2017 and 2017/2018 school year.

Other:

Discussed Community Council Roles and how they support the School Improvement Plan.

Discussion of work done over the summer: fence installed – Trees are coming. We have all trees installed by the middle of November.
