Welcome – Mr. Monson – CC Chair

- UURC funding change – using it for books not just paying in PD
CC Cahir opened the matter – Mr. Boss Motioned for it, this was seconded by Ms. Monson. All agreed.
- Review – Parking Lot
Parking has substantially improved. Parked Love having the 20 minutes parking zones. The flow has worked much better too.
- Computer Refresh
Discussed the upcoming changes that are being made for the DSD refresh and how this will help with one-to-one computers. We will know more next time we meet, and how the CC can help with this.
- School Improvement Plan Update
Update on SIP Goals and Progress – Mr. Kinghorn
- Other
Contact the State Board of Education and encourage them to keep writing assessment for all grades 3-6. An important thing like this should not only be left to assess in the fifth grade.

Personalized Learning – How's going – Update from Administration and CC members from their perspective. Everything is going well in year one, as we are individualizing the education of all students.

What des our typing data show – Mr. Muegge – We will report on this at the next meeting.
