

Community Council

March 28, 2017

Agenda

**Welcome**

**2016/2017 School Improvement Review (SIP)**

**Student Achievement** - Mid-year growth showed that we 28% increase from BOY to MOY. Current assessed all kids and put interventions in place for them on their level. (Goal is 7%)

**College, Career, and Community Readiness** - Attendance Update – Down 225 from last year for Feb. and March.

**Quality Staffing** – PLCs are going well – UURC Professional development for teachers and tutors

**Math** – Technology to support – IXL and BrainPop

We may have a little rollover due to wages, but not much. We will plan as though we don't have any from the 2016/2017 school year to use next year.

**SIP Goals for the 2017/2018 School Year**

**Literacy**

Have been benchmark. DIBELS Progress (Growth)

UURC – \$1500

Tutors - \$20,000

Mclass - \$3000

**Ready for Success at the Next Level** - Attendance goal - Reduce chronic absenteeism

Attendance Goal

Students will reduce chronic absenteeism. *Measure: Chronic absenteeism data. Go to the kids and see what would work for them.*

*Incentives - \$2000*

**Teaching for Learning** - Individualized learning opportunity goal - Evaluate Davis observation/survey results, measures unique to blended learning, fusion, or other models for individualized learning

Individualized Learning Opportunities Goal

All students in “blended learning” classrooms will establish individualized learning targets and make progress to reach those targets.

*Measure: Individual progress scores within the blended model and end of year SAGE*

**STEM**

MA Increase the percent of students scoring growth percentile on math SAGE

Software – 4,000

Technology - \$12,525

Funding for 2017/2018 - \$43,025

**Summer School – Summer Lunch**

**Time and date**

**SNAP**

**Clearfield Partnership for a Playground**

**Other**

**JustServe.org**

**Adjourn**
