Federal Grant Funds

The Board of Education recognizes the district's responsibility to maintain fiscal integrity and transparency in the use of all funds awarded through federal grants. The district shall comply with all requirements detailed in any grant agreement with an awarding agency and with the federal Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards specified in 2 CFR 200.0-200.521 and any stricter state laws and district policy.

Any goods or services purchased with federal funds shall be reasonable in cost and necessary for the proper and efficient performance or administration of the program.

The Superintendent or designee shall ensure that the district's financial management systems and procedures provide for the following:

1. Identification in district accounts of each federal award received and expended and the federal program under which it was received
2. Accurate, current, and complete disclosure of the financial and performance results of each federal award or program in accordance with the reporting requirements of 2 CFR 200.327 and 200.328
3. Records and supporting documentation that adequately identify the source and application of funds for federally funded activities, including information pertaining to federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income, and interest
4. Effective controls and accountability for all funds, property, and other assets and assurance that all assets are used solely for authorized purposes
5. Comparison of actual expenditures with budgeted amounts for each federal award
