

## **AP Art History**

### *Summer Work:*

Acquire Gardner's *Art Through the Ages* by Fred Keiner, 15<sup>th</sup> Edition, either the hardback or online version for a one-year term (ISBN: 978-1285754994)

Acquire Barron's AP Art History Guide by John Nici, 3<sup>rd</sup> Edition (ISBN 978-1438004938)

Prior to the 1<sup>st</sup> day of school: Read chapters 1-3 in Gardner and become thoroughly acquainted with Prehistory, Mesopotamia, and Egypt in the AP 250 core images. Refer to Khan Academy and other reliable resources for the core images.

Browse the 250 images on Khan Academy and be able to group them on sight by period. <https://www.khanacademy.org/humanities/ap-art-history>

## **AP 3D Art**

### *Summer Work:*

Students taking the AP 3D Art classes next fall, have a summer sculpture assignment. The project should be brought to school to be shown the first day of class. Over the summer student will create a large sculpture that will be part of the mediation garden near Ulmer hall. A guide line of 8' by 4' is what is expected. This sculpture can be made from any materials. Students must consider their materials careful so that the work can withstand the Florida weather. The sculpture's content should reflect a theme of growth and calm. Each student will have a chance to display their sculpture in the garden each quarter.
