Facilities

Our school was built in 1957, giving it a long-standing history in the Arrowhead community. We've undergone both major and minor renovations. Our gym floors were refinished and the entire heating and ventilation system and roof were recently replaced. Each classroom has an interactive white board, projector, document camera and sound system to meet the needs of both pupils and staff. Our students benefit educationally from two outdoor, natural garden habitat areas. And, Arrowhead students enjoy a variety of options for play on school grounds.
