Math (K-6): By the end of the 2016-17 school year, 90% of Sunrise students will meet standard on assessments aligned to the Common Core (SBA, Math Expression assessments, district assessments, and other classroom-based assessments).

School Climate (K-6): Every EAP classroom will meet with a regular education classroom at least once per semester to foster a positive whole school climate by participating in an activity such as lunch buddies, art, reading aloud, or playing a game.

Facilities

Sunrise Elementary School opened in 1985, and in recent years the building received updates to the roof and the environmental controls.

The main academic building is a two-story brick structure that includes our classrooms, computer lab and a science lab. There is a multi-purpose building containing the gym, kitchen and activity room, which can be converted to a stage for performances. The music room is in a separate structure adjacent to the multipurpose building, as is the day care program run by the Northshore YMCA.
