I am humbled and honored to be the principal of Timbercrest Middle School, which is committed to supporting the success of the whole child. Our staff and school community partner together to ensure that all students have opportunities to reach their full potential.

Timbercrest offers a robust set of experiences, which includes rigorous and challenging courses; a wide variety of academic and interest-based clubs; opportunities for students to gain leadership skills through WEB, ASB, and elective courses; advisories that focus on social-emotional learning and academic support; and a strong athletics program.

Our school is in the fourth year of implementation of PBIS/MTSS and we work to support and celebrate our students as they learn to exemplify our three pillars of respect, responsibility, and inclusivity. We have a deep commitment to helping students and are continually striving to improve our school in service to our students and community.

## School Improvement Plan

At Timbercrest, we believe it is important to engage in ongoing reviews of our practices in order to improve student outcomes. We thoughtfully employ our resources to focus on and support our students. For the 2016-2017 school year, we worked on the following:

- Implemented and strengthened school wide systems for PBIS/MTSS.
- Analyzed student data, particularly as it related to student achievement and 9<sup>th</sup> graders staying on track to graduate.
- Transitioned from a junior high model to a middle school model
- Developed and refined a plan to transition from Pack Time to advisories, which will provide students with social-emotional learning and academic supports
- Transitioning from a traditional multi-period day to a block schedule in order to support and improve student learning
