Assistant Principal: Jen Hernandez

Mascot: Colts

Colors: Orange and Black

Our focus at Kenmore is to support, encourage, guide and direct/re-direct your students while they make sense of the world around them and to teach relevant, rigorous material that helps prepare them for whatever they pursue. Our capable and experienced staff is thoroughly committed to our students' academic successes as well as their development as happy, healthy, productive and responsible citizens in a changing world.

Our academic program includes core curricular areas of social studies, mathematics, science, English and health/fitness, as well as a strong elective program featuring music, technical education, art and world languages. Our Special Education program is skilled at meeting the needs of our students on Individual Educational Plans; and we offer honors classes in mathematics, English and social studies.

Feel free to contact us if you have any questions regarding our school. Check our school website for specific contact information. We look forward to serving our students and our community.

Bryan Stutz, Principal

Mission Statement: *It is the mission of our school to help all students realize their full potential and become responsible, productive citizens and life-long learners who appreciate our diverse society and are able to use technology effectively to prepare for the challenges of the future.*

School Improvement Plan

Our School Improvement Plan goal areas for the 2016–17 school year were:

- Improve student achievement by improving instructional practices**
 Increased the capacity and utilization of effective instructional practice. Identified and modeled “best practices” at staff and/or department meetings and/or site days, and shared teaching and learning strategies.
- Increase the percentage of students meeting standard by gender, ethnicity, income level and special needs by working to close the achievement gap**
 Strengthened connections with individual students. Improved how we connect with families and how we communicate home. Continued work towards strengthening a student growth culture.

School Improvement Plan cont.

- **Increase the number of students on-track to graduate by improving in-school interventions**
Reviewed, clarified and/or refined intervention programs offered during the school day.

Facility Information

Kenmore Junior High School is one of the oldest schools in the district, having opened in 1961. We completed three major modernization phases.

The first phase replaced our gym, main office and library; and the second phase completed construction of a new wing housing our science, art and several other classrooms. This phase also included the reconfiguration of our parking lot and student drop-off areas.

Phase Three was completed in late 2012 and resulted in the modernization of the rest of our campus. We are excited about our improved school facilities and are grateful to our community for funding these projects through supporting Northshore School District bond elections.
