It is my privilege and pleasure to welcome you to our outstanding Canyon Park Junior High School community.

We are involved in the world’s most important work— educating children. Our staff is dedicated to developing student academics, responsible citizenship and a commitment to life-long learning. At Canyon Park Junior High School we focus on four characteristics: excellence, responsibility, respect and community.

Our goal is to build an academic program that is both rigorous and motivating. We believe that all children can succeed. The “middle years” are a critical time in a child's development of social, emotional and academic growth. They need us now more than ever.

We invite you to join us in partnership as our students enter as seventh-graders, who are somewhat awkward and maybe shy, and leave us as ninth-graders who are knowledgeable, confident and equipped with the skills necessary to be successful in high school and beyond.

Sebastian Ziz, Principal

Mission Statement: *Canyon Park Junior High School is a community dedicated to the educational excellence and success of all students.*

This year, Canyon Park Junior High School staff concentrated on:

- Teaching intentional reading strategies that are specific to each grade level to increase our MSP reading scores
- Using formative assessments to guide instruction in the classroom
- Defining, standardizing and evaluating our grading practices
- Increasing the interventions and opportunities available to students outside of the classroom
