Mascot: Lions

Colors: Green and White

I joyfully welcome you to Leota. We have many unique and incredible things available to students. Some are tangible like STEM and World Language classes, or our Advanced Academic Program. Some are intangible, such as a passionate staff, supportive families and students who fervently approach their learning.

One of our greatest assets is the supportive relationship with parents and our community. PTSA, Watch D.O.G.S. and the Northshore Schools Foundation enrich our learning experiences. Additionally, Leota is committed to creating a caring and safe environment that is engaging, considers the whole person and fosters a sense of community, lifelong learning and positive interactions with peers.

This report includes information about Leota that I hope you find valuable. If you have suggestions for how to enhance the learning experience for students, please feel free to contact us. We look forward to you joining and partnering with Leota's learning community.

Audee Gregor, Principal

Mission Statement: *Leota Junior High School endeavors to create a positive learning environment and increase academic achievement through instruction guided by established standards and benchmarks.*

School Improvement Plan

An ongoing school improvement process is crucial to student success, growth and learning. At Leota, we take this process very seriously, utilizing this process to guide our work with students. After much deliberation, data analysis, and reflection, the staff focused on the following three goals for the 2016-17 school year.

Focus Area #1:

Increased the percentage of students on track to graduate by the end of the ninth grade.

Rationale: A majority of students with a risk of poor high school outcomes were identified before they enter high school.

Focus Area #2:

Increased the percentage of students who feel connected to school.

Rationale: When one looks at the research literature across the different fields of inquiry, students who felt connected to school (independent of how these students are faring academically) were less likely to use substances, exhibit emotional distress, demonstrate violent or deviant behavior, experience suicidal thoughts or attempt suicide or become pregnant.

Focus Area #3

Increased the capacity and utilization of effective instructional practice.

Rationale: Increasing the use of these research-base strategies will better support student achievement and success.

Facilities

Leota opened in 1971. At that time it was one of four junior high schools in the Northshore School District and now there are six. A major remodel was completed in 1998.

The timeless architecture of the campus keeps the site looking new. The school buildings and playing fields are in use day and night by students and a variety of community groups.
