# ANNUAL REPORT

**FAIRFIELD COLLEGE PREPARATORY SCHOOL**

# Dear **Friends,**

This is an exciting time to be at Fairfield Prep. Please be sure to review our 2017 Strategic Plan: *Founded on Faith – Leading to Serve – Educating for a Global Society*. Many of the initiatives you see in our plan are underway and already transforming student learning at Prep.

We recently completed and passed our 10 year New England Association of Schools and Colleges (NEASC) accreditation. The visitation team enthusiastically affirmed the strength of Jesuit mission that permeates every aspect of the school. They noted Prep's mission commitment in curriculum development, engaging co-curricular activities, and how we care for the whole person. We were especially commended for our robust SEED diversity program that ensures students from varied socioeconomic backgrounds experience success through this Jesuit education.

The plans have been laid for many bold projects that will establish Fairfield Prep as a leader. The world of private schools has become increasingly competitive. Yet we believe that Jesuit education is worth it and what society truly needs. The only way we can meet the challenges on the horizon is through your support. Thank you for your generosity and all you do to serve our students!

Sincerely,

Rev. Thomas M. Simisky, S.J.  
President

# 2016 Year in Review Summaries

## Robert A. Perrotta, JD, EdD Principal

**T**he 2016-17 academic year was marked by exploration and innovation. The successful completion of a mission and identity self-study resulted in our receiving continued sponsorship by the Society of Jesus. Father Cecero, Provincial of the USA East Province, commended Prep for its “thoughtful and thorough reflection of the school’s commitment to fostering its Catholic Mission and Jesuit Identity.”

The preparation of a major self-study for our October, 2017 accreditation review by the NEASC helped us clarify our future priorities surrounding facilities, mission and faith formation, curriculum, and technology. For example, this year we will implement a new academic schedule that blends a traditional rotating schedule of 40 minute classes with a block schedule that creates 75 minute classes and opens up varied and exciting opportunities for community building activities, student run assemblies, and faculty professional development that does not interfere

with class time. The schedule has also created structures for students to report school news, highlight student achievements, present short media clips, and instruct on local, national and international historical events. For 2017-18, we will continue to expand our core curricular and elective offerings adding courses in coding, computer programming, and Mandarin.

We continue to develop interesting curricular opportunities for our students that employ creative methodologies and technologies that focus on student initiated learning, group projects, and real world application of textbook knowledge. We have also embraced the theme of preparing our students to be global citizens who are aware of the future ecological challenges that face us all. We continue to explore avenues to take advantage of our the international network of over 450 Jesuit high schools through teacher and student exchange programs as well as national and global service opportunities.

I am forever proud of our students whose talents, energy, and care of one another is truly heartening. I am grateful to our parents who enter into a partnership with us to develop their son’s academic, social and spiritual development. I am thankful to our benefactors who have enabled Prep to be a school that can celebrate its economic and racial diversity. The pride and love our students display for Prep was best described by a student who was asked where he went to high school. He responded: “I don’t go to high school; I go to Fairfield Prep!”

## Rick Henderson Vice President for Advancement

**T**he Prep Advancement and Alumni Relations office continues with its goal of raising expectations internally and externally. As the Development team continued to take shape with new faces, time honored traditions marched on with growth. The 2016-2017 Fairfield Prep Fund increased 2.5% over the prior year resulting in \$1,115,743 in total unrestricted giving with another \$978,888 million gifted to restricted capital projects, programs or scholarships. Our Fairfield Prep events such as our Annual Auction raised \$308,257 equaling \$2,402,888 in total dollars raised for Fairfield Prep. Alumni Participation grew by 14% over the prior year which shows the committed alumni support for securing the future of Prep.

Reunion Weekend was redesigned and what a celebration it was! The 100’x100’ tent covering the quad served for a tremendous location for the reenergized reunion celebration. The weekend started with the inaugural Athletic Hall of Fame induction ceremony which honored the titans of Prep Athletics history. The number of alumni participating with our regional events around the country continues to grow, which forecasts a fun year ahead for reconnecting with more alumni.

Our Strategic Plan is set, alumni participation is growing and the positive energy around the school is becoming infectious. The future is very bright for our great school. Go Prep!

## Greg Marshall

### *Special Assistant to the President*

**F**airfield Prep finished the 2016-2017 school year with 865 students coming from all areas of southwestern Connecticut. Total tuition-assistance financial aid awarded for the 2016-2017 school year was \$2,396,000, given to 248 students, representing 29% of the student body. The average financial aid award was \$9,661 which equaled 50% of tuition. In 2016-2017 Prep had 36 students enrolled in the International Student Program (ISP).

Prep continues to live our mission by offering our Jesuit education to everyone. Of the 865 enrollment, we had 238 students under our S.E.E.D. (Students for Education Excellence through Diversity) program with 126 of them receiving more than a 50% financial aid award. Thirty-nine of these students were designated as "S.E.E.D. Scholars."

Were it not for Prep's generous financial aid program, in all likelihood our financial aid recipients would not be at Prep, which would mean that not only would they lose out on the unique, life-changing benefits of a Fairfield Prep education, but our school would suffer for the resulting loss of their God-given talents and abilities. For this, we are extremely grateful for the support of our loyal alumni, parents and friends..

## Nora Magi

### *Chief Financial Officer*

**F**airfield Prep ended the fiscal year June 30, 2017 in good financial standing. Our endowment grew to \$27M for fiscal year 2017 and provided 39% relief to the \$2.4M financial aid provided to our students of need. An additional \$50,000 was provided in non-tuition aid to our students to help with the cost of mission trips, meals, books and transportation.

Prep facilities are in good condition. A facilities audit was performed in the spring 2017 which will help us prioritize and plan for future major improvements to our facilities. During fiscal year 2017 we renovated two physics labs, created a Fine Arts Wing, doubled the size of our weight room and started the multi-year project of replacing plumbing pipes in our two 70 year old buildings. This past summer, the pipe replacement project continued along with renovations to our chapel, which now has updated lighting, sound system and ventilation.

Prep started the new academic year with new contracts for our custodial services and food services. In choosing these new vendors strong consideration was given to providing healthier food options and greener cleaning solutions. Both services have been well received by our students, faculty and staff. Our budget is balanced for fiscal year 2018 and as we wrap up the first quarter of this new school year, we remain on target. Throughout this year, we will continue to vigorously analyze revenue opportunities and expenditures in order to provide the best quality education to our students.

A young man with dark hair, wearing a black tuxedo jacket, a white dress shirt, and a red bow tie, is seated and playing a violin. He is looking upwards and to the right with a focused expression. The violin is a rich, reddish-brown color. The background is dark, and the lighting is dramatic, highlighting the man and his instrument. A semi-transparent red horizontal band is overlaid across the middle of the image, containing the text "Fine Arts".

# Fine Arts

2016-2017 FAIRFIELD PREP

# Fine Arts

Communication, collaboration, and creative thinking – these are the skills students cultivate by engaging with the Fine Arts. Pencil in hand, a student sketches, shapes, and sharpens ideas into fruition. On stage, he pays careful attention to the ways gesture, posture, expression, and voice speak to his audience. Each member of our orchestra, choir and jazz ensemble keys into the musicians around him, and together they seek a unity in their sound. Working in these disciplines affords our students the valuable opportunity to take a leap and learn from the failures and successes of process. At Fairfield Prep, we foster a lifelong love of learning through a lifelong love of the arts.

# Christian Service & Campus Ministry

In the first principle and foundation prayer, St. Ignatius says, "The goal of our life is to live with God forever. God, who loves us, gave us life. Our own response of love allows God's life to flow into us without limit." At Fairfield Prep our students achieve this goal by participating in our Campus Ministry and Christian Service programs. Each year our student retreats and service program, including our service immersion trips, see great participation from the student body. The Kairos Retreats have over 150 juniors and seniors participate yearly, and three Urban Plunge Retreats which have over 50 juniors partake in service in the inner-city. Prep also offers immersion trips in Immokalee, Florida and Appalachia, as well as International Immersion experiences in Ecuador and Jamaica. Approximately 60 students participate in these trips annually. In 2017-2018 Fairfield Prep students will complete an amazing minimum of 23,310 hours of service.
