

## DROP OFF / PICK-UP PARKING POLICY

- ALL traffic must enter the SOUTH entrance and proceed through the upper loop (even if you are parking in the West lot to pick up Kinder students).
- NO vehicles should enter from 1400 South into the North end of the loop.
- NORTH parking lot is closed to ALL vehicles during pick up and drop off times.
- ALL vehicles need to observe the STOP sign posted as you come out of the upper loop before exiting.
- ALL vehicles need to stop for cross walks in the upper loop so children can walk to and from bus loop.
- All vehicles need to YIELD to buses entering and leaving the school.
- NO PARKING in the lower lot south of the parking stalls (bus will not be able to make turn and may damage vehicles).
- NO PARKING on street where bus enters or exits the loop or in front of fire hydrant by the home on 1400 South.
- Upper loop is designated for cars only (NO BUSES) and lower loop designated for BUSES ONLY (no cars). If you are dropping off / picking up use the lane along the curb in the upper loop. When you are ready to pull through, move to the outside lane away from the curb.

We hope this policy will make dropping off and picking up easier and safer. Please help us keep our children safe. If you observe any safety concerns, please let us know. Thank you so much!
