Campus Highlights

- Future Building, Maintenance and Modifications
- Safety & Security Upgrades
- Implementing Instructional Tools Upgrades for Students & Staff
- Wireless Modernization
- Phone System Upgrades
- Cabling & Security Upgrades

The Spring Branch Education Center was replaced as part of the 2007 Bond Program.

2007 Bond Program Highlights of Interest:

- Original opening: 1953
- Reopening: January 2017
- Architect: SHW Group (now Stantec)
- Builder: TBD (Construction Manager at Risk)

The campus is housed at SBISD's Spring Branch Education Center (SBEC). The SBEC rebuild included wings for Cornerstone Academy and Academy of Choice while preserving the library and auditorium. Special attention was given to the building's history during design and construction.

Great schools. Great community.
