

WHEN SHOULD YOUR CHILD STAY HOME FROM SCHOOL?

- 1) If your child have a contagious illness such as strep throat, flu or chicken pox
 - 2) If your child has had a fever within the past 24 hours
 - 3) If your child is vomiting or has diarrhea
 - 4) If your child has red/pink eyes or has drainage from the eyes
 - 5) If your child has a suspicious rash
 - 6) If your child has head lice, a treatment must be given before returning to school. Your child should not be out more than 2 days and must be seen by the school nurse before returning to school.
-
- Please note that the above list is a guideline. The school nurse reserves the right to dismiss students, who in her professional opinion, are possibly contagious or are too ill to be in school.
 - Please notify your school nurse when you have had a physical exam, or if your child is out of school for more than 3 consecutive days and/or is under the care of a physician.
 - If your child is absent, please call the school.
 - A doctor's note is required for any absences to be considered excused for a medical reason.
 - All permits are to be brought to the nurses' office before the beginning of the school day.
