

Website Accessibility

Gull Lake Community Schools (GLCS) understands the necessity to develop website content in a way so it is accessible to all persons. GLCS has attempted to design our website with following standards and compliancy; GLCS has developed the website to be compliant with both the Americans With Disabilities Act as well as adopting the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.0.

GLCS strives for its website along with external website resources to comply with WCAG 2.0 AA compliance so users of magnification software, screen-reading software and text only browsers are able to consume content. GLCS continues to subscribe to services to assist with maintaining A and AA WCAG 2.0 compliancy.

GLCS has designated a Web Accessibility Coordinator to oversee compliance with this policy and WCAG 2.0 guideline recommendations. Contact information can be found at the end of this policy. If you've encountered something referenced within our website that is inaccessible, please contact us and let us know the issue. We will try and provide the information in an alternate format or rectify the issue within the website itself.

STATEMENT OF COMPLIANCE WITH FEDERAL LAW

Gull Lake Community Schools does not discriminate on the basis of race, color, national origin, sex, including sexual orientation or transgender identity, disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information or any other legally protected category, in its programs and activities, including employment opportunities.
