

Wesleyan Christian Academy: Athletic Department Temporary Physical Examination Release

It is the policy of Wesleyan Christian Academy (WCA) that each student have a physical examination completed annually in order to participate in athletics.

In the event that a new physical examination cannot be scheduled on or before the previous year's exam date, this form must be signed by your physician.

In addition, the new physical exam must occur within 4 weeks of the previous year's exam date to continue participation in WCA athletics.

Please understand that the athlete will undergo intense physical training during this time.
