

On Your Own: Unit 2: The Spending Plan and Consumerism

Unit Focus

In Unit 1 students go through the process of exploring careers and finding a job of interest. Unit 2 has students moving on with the next part of living independently which is to learn about finding apartments, determining options for transportation, meal planning, and responsible use of financial products. Students also learn all the of intricacies, added costs, and maintenance that comes along with renting an apartment and buying/leasing a vehicle. Students also learn how to calculate their monthly net pay and the fundamentals of budgeting to live on their own. The PBA has students develop a spending plan to ensure they are being financially responsible as they make choices on living arrangements, transportation, and other expenses.
