Spring Branch T-2-4

Our Goal

Spring Branch ISD will double the number of students completing a Technical certificate, military training, or a 2-year or 4-year degree.

Our Beliefs

We believe a great school system:

- * builds on the strengths and gifts of each child,
- * provides students from poverty the same opportunities for success after high school as students from non-poverty homes,
- * instills in every student the belief that they can achieve more than they think possible, and
- * assures that every adult in the system is committed to the successful completion of some form of higher education for every child.
